

Wellington office

Our day-to-day operations are undertaken by the Secretariat, a team of four staff based at our Lambton Quay office in Wellington, including a General Manager, Regulatory, Compliance and Market Access Manager, Communications Advisor, and Board Secretary and Office Manager.

Member companies and individuals are welcome to make use of our refurbished offices when in the Capital. Situated on the lower-end of Lambton Quay, in the heart of Wellington's CBD, the office is a great place to utilise - from somewhere to drop bags on a flying visit, to free use of the small meeting room and WIFI access.
